Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

The SAC supported our work for our SSP goals by providing ideas and allocating money to teacher learning and resources, and student books and learning materials in the areas outlined in our SSP plan.

- Funded materials and books to support SSP Goals (math, literacy and well-being)
- Advised us on how to communicate Attendance Policy information with families
- Advised us on creating our school vision statement and matrix
- Advised us on how to get feedback from families about our school vision statement and matrix

Please list any significant milestones and success stories that the SAC would like to highlight.

- Variety of different cultural events at school

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
