Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

The SAC supported our work for our SSP goals by providing ideas and allocating money to teacher learning and resources, and student books and learning materials in the areas outlined in our SSP plan.

Literacy Goal: We will improve student achievement in literacy.

The SAC supported our work with the following strategies:

- Weekly TST - Share your data. What are you doing to positively impact student achievement? What are your barriers to success? What are our next steps?
- Small group classroom instruction
- Focused classroom instruction that supports the reciprocity of reading and writing
- Tier 1 Resource Support
- Learn about the 6 Pillars of Reading and learn about and implement phonics instruction (UFLI)

Math Goal: We will improve student achievement in math.

The SAC supported our work with the following strategies:

- Weekly TST - Share your data. What are you doing to positively impact student achievement? What are your barriers to success? What are our next steps?
- Small group classroom instruction
- Using HRCE math assessment tools
- UIT Support
- Teachers will learn about and implement computational fluency strategies.

Please list any significant milestones and success stories that the SAC would like to highlight.
