

October 16 -20 Week 1

What a week at BBK!

Rain on a Friday the 13th did not stop the BBK students and staff from smiling all day thanks to the Beaver Bank Fire Department! The fire department was here for our fire drill and to do a walk through in the building. Students were then welcomed to explore the trucks!

The sun did come out just in time for everyone to play outside at lunch!!

Have a wonderful weekend! Stay tuned for our next weekly check in!

Your BBK Team
